REHEARSALS

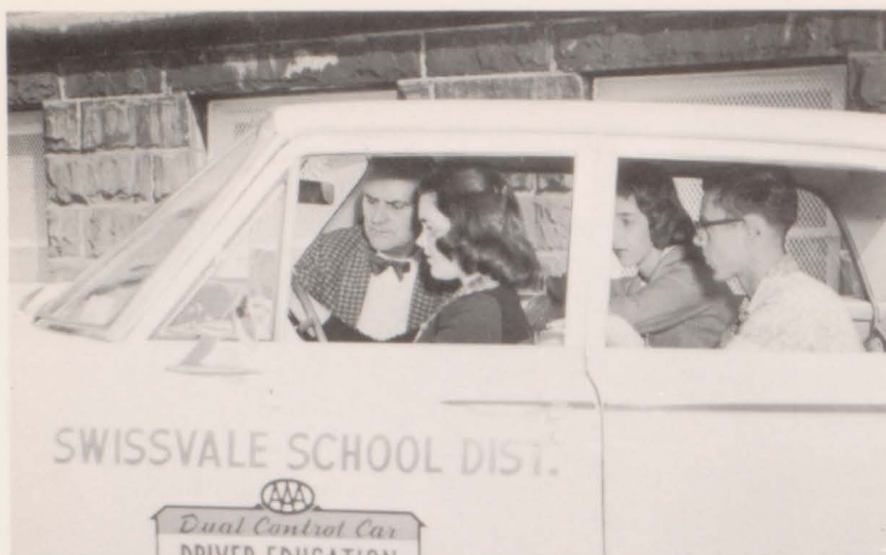

Mr. Hailperin's first year geometry students have stumbled through seemingly unsolvable problems, but Mr. Hailperin's problem is even more difficult. Stuffing over 6600 cubic feet of knowledge into 26 cubic inches of brain is never easy!

As Don Chrise, the mad scientist, prepares his conglomeration, the other chemists look on in fear and awe. Clair, Bob, and Russell look as though they had something up their sleeves, too.

"Why, that's me!" is the familiar cry of most speech students when they hear their recorded voices for the first time. This is just one of the many new experiences met with in public speaking.

... DRIVER TRAINING

"Put the key in the ignition, your foot on the brake; put the car in gear, release the hand brake, and then put your foot on the gas," instructs Mr. Brace. "Is that *all*?" they ask.

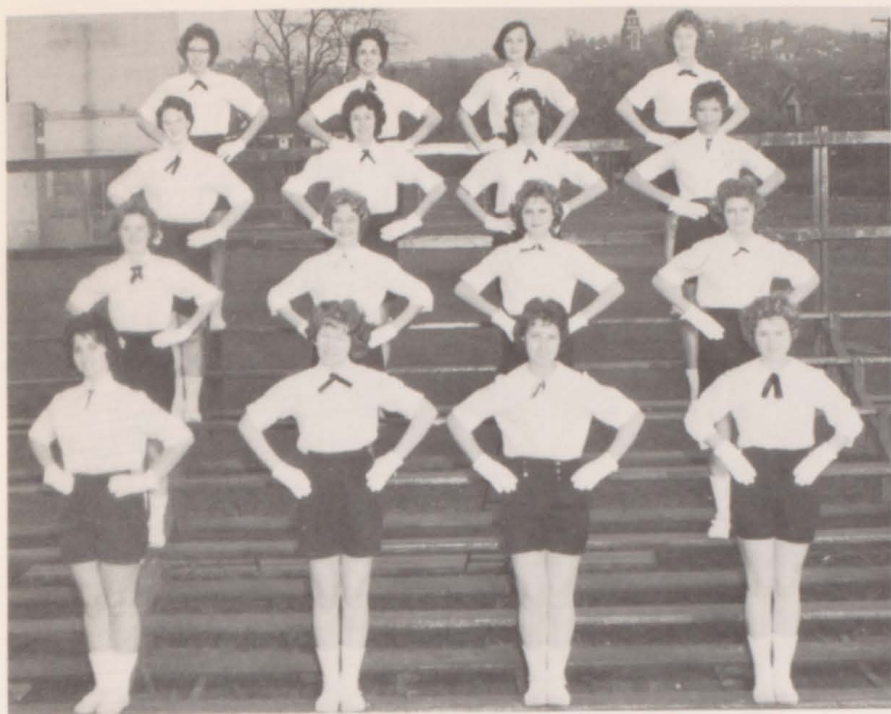

... PHYSICAL TRAINING

"Will it go over or not?" is the big question in the minds of all the girls. Gym will always be remembered for its laughs, its falls—and, of course, its laps.

DAISY MAE SCORES

Well, Daisy Mae finally got her man! Ah do declare, the bigger they are the harder they fall. No, this isn't Dogpatch, USA—it's good old Swissvale High on Sadie Hawkins Day.

RELAXING BETWEEN SCENES

Adding to the entertainment at half-time were the routines of the Majorette Club. In the first row are Donna Colondrea, Marilyn Morgan, Betty Seko, and Arlene Mehalik; in the second row, Janice Gressley, Peggy Wonders, Ruth Grindle, and Daryll Petro; the third row, Ruth Garboden, Dotty Martha, Donna Donnelly, and Maxine Payne; the fourth row, Jane Yuhas, Arlene Toth, Joyce Dufalla, and Linda Dean.

"Aren't they beautiful, and so tall!" "It was a lot of work selling that candy, but it really paid off."

"Ladies before gentlemen," says Billie as Drew and Carl thirstily gaze at the water fountain.

Visitors who enter Swissvale High School never feel lost, because a receptionist is always there to guide them. The girls also run numerous errands for many people. Here are the senior receptionists: Barbara Hilgenberg, Jackie Rowe, Linda Vereb, Renee Catanzano, Lois Hoerner, Jennie Artascos, and Pat Woffenden.

The junior and sophomore receptionists seen here are: Kathie Bravar, Sandi Ghrist, Dawn Faulds, Barbara Mladjan, and Pat Wilson.

Absent when undergraduate pictures were taken were Dan Dattola, Room 28, Audrey Hostetler, Room 11, and Nancy Brobst, Room 21.

HEALTH & HOME SERVICES

The Swissvale School District believes that the earlier physical defects, such as defective hearing and sight, are discovered and corrected the healthier and happier its students will be. Because of this, a continuing health program is operated from first grade through high school.

Being interested in everything that affects a student's welfare, the School District also believes it is important to maintain cooperation between the home and the school.

Dr. William C. Barnett, school physician, examines Marilyn's ears.

Mrs. Sarah S. Dennison, home and school visitor for the school district.

The Y-Teen Sweetheart and her Court: Jennie Artascos; Elynor Vorobok; Marcia Neumont; Kathy McGregor, Junior Princess; Laurel Gibson, Y-Teen Sweetheart; Margo McCarrick, Junior Princess; Jackie Rowe; Beverly Glenn; Carol Connor.

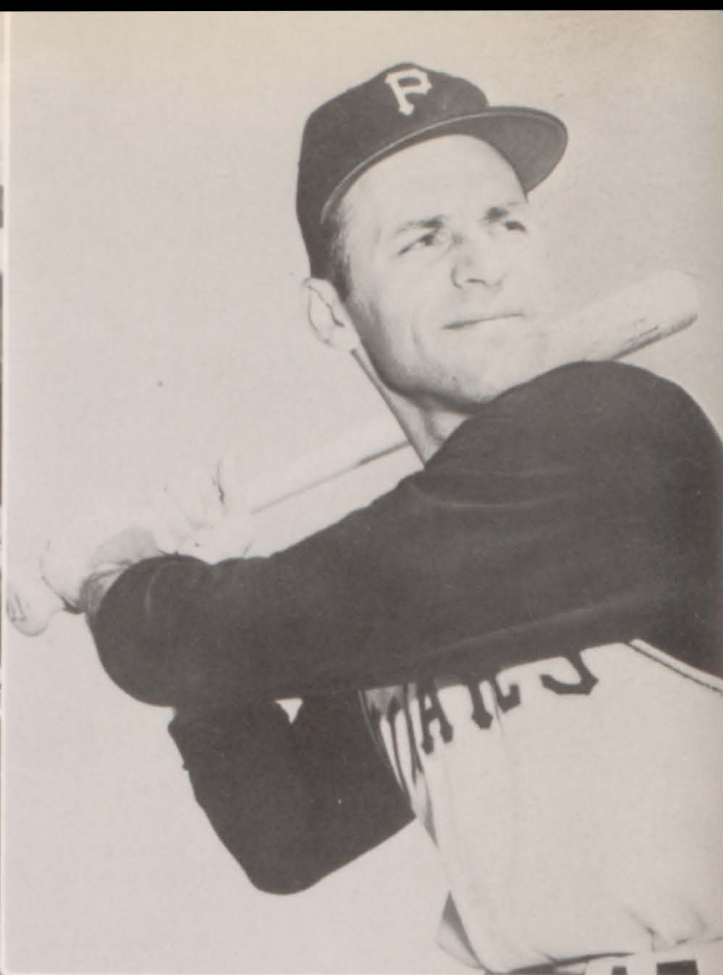

The Dixie Six: Andy Muster, tuba; Chuck Meigs, trumpet; Doug Hags, clarinet; Gerry Hagadorn, trombone; Bob Hugo, drums. Not shown: Jim Dukate, Jim Lester, and Dennis Treemarchi.

Laurel Gibson, Y-Teen Sweetheart

Below, a scene from the dance. Lower right, a scene from the Y-Teen Fashion Show, with Sandi Smith, Anita Yaderosa, and Billie Lichka sitting on the floor. Perched are Diane Grove, Margo McCarrick, Becky Bowman, Kathy McGregor, Gloria Geswaldo, Carmen Ventura, Sandi Sechrist, and Laurel Gibson.

Whether they were typing or examining monarch butterflies and milkweed pods, SHS students' minds were on the World Series and DICK GROAT, our famous alumnus.

A pretty important person around SHS is Clyde Sylves. Among other things, he always comes to the aid of students who have lost their locker keys.

PRODUCERS

CARL S. BAILY
Superintendent of Schools

In this play, as in all others, producers are indispensable, for without them there could be no production. They are the people who see that the proper settings and tools are made available for the cast. These roles are capably filled by Carl S. Baily and the Board of Education.

Mr. Baily, Superintendent, does an outstanding job in coordinating the schools in the Swissvale District. In spite of the demands on his time, however, Mr. Baily retains an understanding nature and is always willing to help both students and teachers alike.

The Board of Education, elected by the voters, is a group of men who spend much of their time looking after the needs of the schools. Theirs is a whole-hearted interest which keeps the schools running smoothly from year to year.

MISS ESTELLE A. GRAY
Secretary to Mr. Baily

Seated: William D. Sutman, vice-president; Clyde O. Brugh, president; Dorothy G. Petrovsky, secretary; John R. Smith, solicitor. *Standing:* Dr. Francis A. Whalen; George W. Dunay, Jr.; Frank C. Stewart; Dr. Rex H. Newton; Dr. Roy M. Smith.

DIRECTORS

GORDON E. DANNELS, ED. D.
High School Principal

Dr. Dannels, director of this production, has been principal of Swissvale High School for the past two years and previous to that he was principal of Dickson Junior High. While here, Dr. Dannels has done much to make our school one that could be used as an example for others to follow. His innovations have been an asset, as shown by the fact that we have a school to be proud of. Our thanks are due Dr. Dannels and his able faculty for their abiding interest in the students' progress.

Our play also has directors who are in close contact with the actors and actresses. Their job is to interpret the play and make sure that the parts are played to the fullest.

MISS HELEN HYVARINEN
Secretary to Dr. Dannels

MISS NORMA J. MCCOLLOUGH
Superintendent's Office

ASSISTANT DIRECTORS

The student voice in government and law making at Swissvale High School is the Student Council. Each homeroom is represented by its president, who reports the decisions made by the council to his homeroom. Advising Student Council on its problems is Mr. Emil Dandar.

Student Council has sponsored many activities such as Sock Hops, Penny Serenades, car washes, and the selling of book covers, sweat shirts, and corsages for the Homecoming Dance.

STUDENT COUNCIL

Seated: Daryll Petro, Howard Ferguson, Don Chrise, vice-president; Mike McKee, president; Janis Weaver, secretary; Andrew Payer, treasurer; John Catanzano. *Standing:* Frank Stofa, Kathy Neumont, Cathy Kovacic, Joyce Dufalla, Pat Eger, Nancy Connelly, Lyn Wray, Sam Perry, Tom Chunko, Bill DeLucia, John Needham, Bart Mele, Bonnie Duncan.

P R O M P T E R S

MISS MARGARET I. JONES
Counseling

EMIL B. DANDAR
Counseling

Just as skilled prompters add to the security of actors and the smoothness of the play, so do our counselors bolster the confidence, smooth the way, and encourage our students to do their best. Without their guidance, much time would be lost and numerous wrong choices made.

A familiar figure at the door of Room 17 during the first semester was Alfred Panza, a student teacher. The second semester Mrs. Ruth Buehner took over the place vacated by Mrs. Flannick.

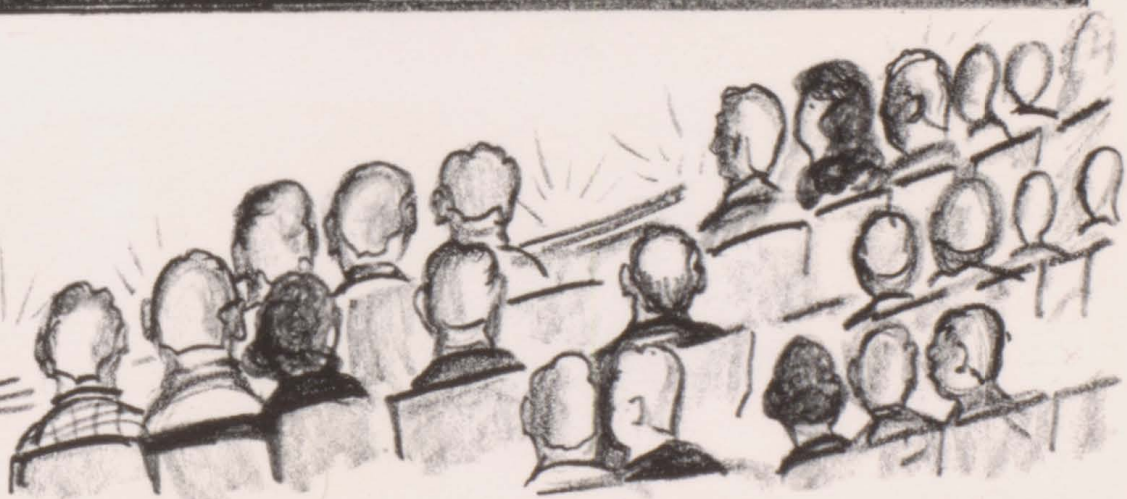

As a permanent record of its outstanding students, Swissvale High School has placed in the front hall a number of plaques, two of which are shown here—the Honor Roll, which has, since 1950, recorded the names of the valedictorian and salutatorian of each class, and the Harry Elder Award, which not only commemorates Mr. Elder but also recognizes the outstanding physics student of the year.

The Swissvale Rotary Good Citizenship award honors the boy and girl who have been outstanding citizens of the school. The Joseph Dennison Award commemorates Mr. Dennison and honors the outstanding athlete of the year.

INTERMISSION

ACTIVITIES

At Swissvale High School there is a club for every type, personality, hobby, and interest. For French students there is the French Club; for camera fans, the Camera Club. There are three publications at SHS—Swissvalian, Valistic, and Horizon—some of whose members earn membership in Quill & Scroll.

The Junior Red Cross is a good organization to belong to if you are interested in helping others. The National Thespian Society is composed of those who have earned dramatics points.

The newest addition to the organizations at SHS is the National Honor Society, whose members are among the leaders in school activities.

SWISSVALIAN

Camillo Mele, art editor, also did art work for the Swissvalian last year. In addition, he has contributed much to the attractiveness of the Valistic. This really gifted senior was often asked to design posters and covers for other organizations in the school. An example of this extra work was the cover for the National Honor Society constitution. SHS will miss Camillo's fine sense of color and design.

The National Honor Society of Secondary Schools was founded by the National Association of Secondary School Principals in 1921. The first chapter was granted to Fifth Avenue High School in Pittsburgh. It has steadily grown until there are now over 8500 chapters in outstanding high schools. These chapters are located in all fifty states, the District of Columbia, in U. S. territories and possessions, and in Depend-ent's schools and American schools in many foreign countries.

The society was founded to stimulate high scholarship, constructive leadership, purposeful service, and character development of students in high school. Its present hope is to raise high schools to levels of more

effective service in training our youth of today who will soon be the leaders of tomorrow.

The students who are members of the National Honor Society are outstanding in scholarship, service, leadership, and character and are chosen by a faculty committee. The society has provided scholarships, awards, and certificates of merit to those members who are going to college. The chief purpose of these awards is to encourage the most promising school youth to continue their education at a higher level.

Swissvale High School's chapter of the National Honor Society was made possible through the interest and efforts of our principal, Dr. Gordon E. Dannels.

Among the activities of the Junior Red Cross Club were the filling of stockings for underprivileged children and having a dance to raise money for Children's Hospital. INTERMISSION

SPORTS

Sporting events, supposedly for the relaxation of the SHS students, provided many exciting and anxious moments. The Gold Flashes' teams throughout the years have produced many fine athletes that the town can be proud of. Because of this, sports have been and always will be a main interest in Swissvale.

SWISSVALE

First row: Jim Ralston, Camillo Mele, Tom Lemak, Richard Simpson, Mike McKee, Bruce Lowry, Dennis Pocsatko, Don Chrise, Ron Cimino. *Second row:* Coach Joseph Massey, Mgr. John Catanzano, Bill Walker, Anthony Panaia, Ed Coletta, Ron Smith, Tom Chunko, Bob Glenn, Richard Dowler. *Third row:* Mgr. Carl Barone, Mgr. Howard Ferguson, Bill Berlin, Frank Stofa, Paul Neff, Jack Colyer, Bill DeLucia, Ed Catone.

GOLD FLASHES

First row: Bob Grandizio, Wayne Miller, Ben Rainey, Andy Payer, Bill Harder, Carl Robertson, John Hudale, Dennis McTiernan, Russell Carter. *Second row:* Marvin Moneymaker, Ron Boyle, Tom Cusack, Frank Panaia, Joe DeLucia, Bart Mele, Mgr. Carl Nyberg, Mgr. Ken Jozwiak, Ed Babinec. *Third row:* Bob Kropp, Steve Getsy, Elmer Beatty, Dennis Papula, Wayne Olexa, Dave Begg, Dan Quinn, Mgr. John Petro, Clarence Ramsey.

DICK SIMPSON—6', 190 lb. tackle. Played defensive tackle and end; handy to have around. One year letterman.

BRUCE LOWRY—6'1", 161 lb. end. Rough defensive end and outstanding pass receiver. Scored 2 sensational TDs. One year letterman.

Co-captain BOB GRANDIZIO—6', 180 lb. fullback. Led team in rushing, pass receiving, scoring, and interceptions. Three year letterman.

DENNIS McTIERNAN—5'7", 180 lb. guard. Defense was "Fireplug's" specialty; played middle guard on defense. Two year letterman.

GOOD TEAM; BAD LUCK

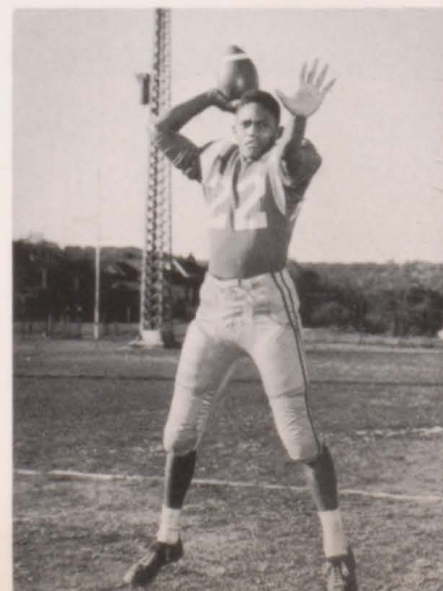

The Flashes' football season, although not as successful as expected, provided its followers with many outstanding thrills. Long plays, hard tackling, and great spirit made Swissvale's games interesting to watch no matter what the outcomes were.

Long runs were turned in regularly by Ben Rainey, Bob Grandizio, and junior Frank Panaia. Rainey completed a 75 yard touchdown pass to Bruce Lowry for the longest pass completion of the year. ALL-WPIAL selection, Ron Cimino, delighted the hometown crowd with his vicious blocking and tackling.

JIM RALSTON—5'9", 200 lb. center. Fine placement kicker. Used at middle guard and center. One year letterman.

CAMILLO MELE—5'10", 154 lb. end and halfback. Played defensive middle linebacker; surest tackler on the team. One year letterman.

BEN RAINEY—6', 175 lb. halfback and quarterback. Most versatile player on the team. Threw 4 TD passes and scored one. Three year letterman.

Co-captain RON CIMINO—5'11", 185 lb. guard. One of the best defensive linebackers around. Led team in tackles for 3 straight years. Third team ALL-WPIAL selection.

DON CHRIS—6'3", 175 lb. end. Fastest man on the team; favorite target on long passes. Three year letterman.

TOM LEMAK—5'10", 160 lb. halfback. Broke leg before first game; returned in mid-season. Good tackler and fine runner. One year letterman.

Although there were four broken bones suffered by key players, and a five game losing streak, the team kept in high spirits and did the best they could under trying conditions.

The unsung heroes of every football team are the managers and trainers, who take care of the athletes as well as the equipment. Swissvale's crew consisted of, standing, Carl Nyberg, John Petro, Howard Ferguson, and Ken Jozwiak. Kneeling are John Catanzano and Carl Barone.

Assistant Coach George Glarner intently watches the action on the field, as Head Coach Joseph Massey calls his spotters in the press box.

Head basketball coach, John Brace (at the right) along with assistant, Arnold Koepka, have been responsible for the development of some of Section VII's most outstanding players. This year was certainly no exception.

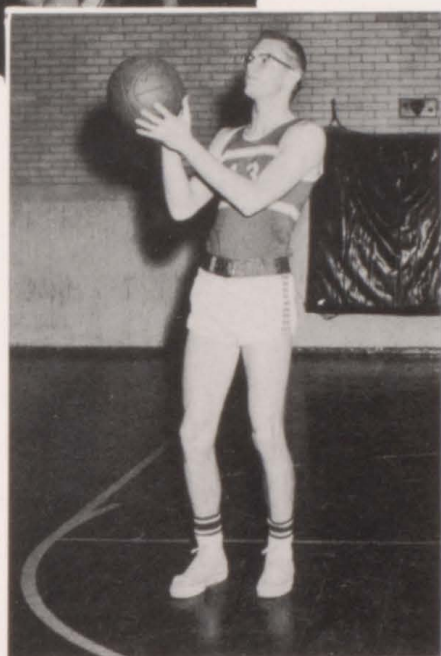

First row: Gary Rupp, Ron Smith *Second row:* Wayne Miller, Joe DeLucia, Anthony Panaia, Frank Panaia, Jim Wertz *Third row:* Bart Mele, John Hudale, Ben Rainey, Bruce Lowry, Luther Wilson *Fourth row:* Leslie Lucas, Dave Begg, Bob Craig, Wayne Olexa, Roy Carlo, Paul Neff, Mike Stein, Bill Tomko, Elmer Beatty. *Fifth row:* Bill Gardell, Dick Lightner, Steve Getsy, Bob Glenn, John Giba, Layton Lewis *Sixth row:* Charlie Brunner, Drew Jerina, Ed Catone, Marvin Moneymaker

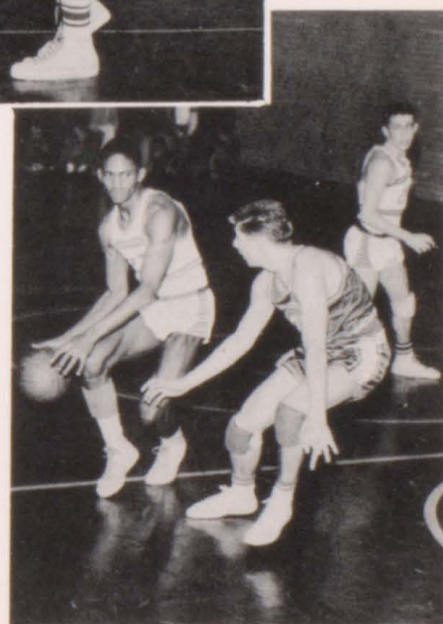

SENIOR BASKETBALL STARS

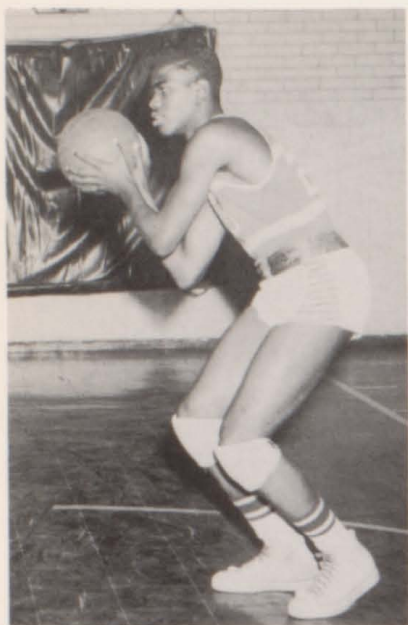

Co-captain Ben Rainey—6' 175 lb.; displayed his fine talents on the Flashes' court for three straight years. His wonderful coordination and jumping ability made him one of Section VII's top ball players. Selected for the Steel Valley Tournament's All-Star team.

Co-captain Bruce Lowry—6' 1" 161 lb.; led the team in scoring and rebounding. He scored 341 points and averaged 16 points per game while grabbing off 252 rebounds for a 12-a-game average. Here is without a doubt Swissvale's prime candidate for the All-Section team.

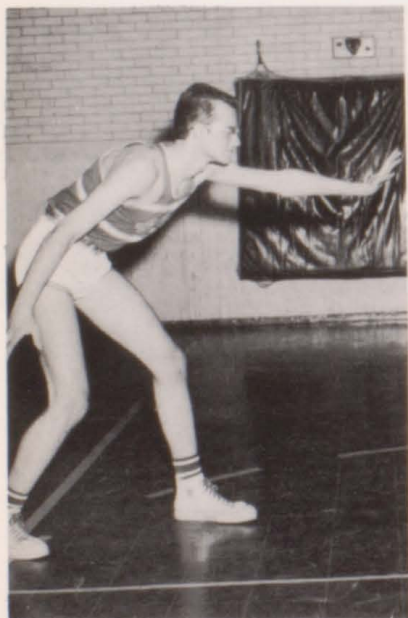

Luther Wilson—5' 7", 145 lb.; good outside man with a fine one-hand push shot. Good hustler and at his best on defense.

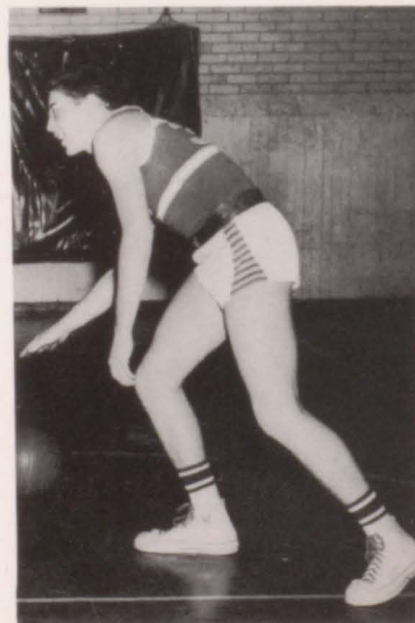

John Hudale—5' 7", 160 lb.; handy man to have around. Kept the team in good spirits.

Swissvale's basketball managers: first row, John Henderson, Frank Stofa, and Mike McKee. Standing: Bob Taylor, Bill Eagleson, and Carl Nyberg.

Drew Jerina—6' 5", 160 lb.; tallest man on the squad and valuable off the backboards. Nicknamed: "The Big Dipper."

Wayne Miller—6' 1", 180 lb.; good strong rebounder with a lot of desire and stamina.

The Varsity Club, an association of lettermen at SHS, includes, *kneeling*, Don Chrise, Mike McKee, Bob Grandizio, and Ron Cimino. *Second row*: Carl Robertson, John Bonacci, Anthony Panaia, Dennis McTiernan, Tom Lemak, Joe DeLucia, Camillo Mele, and Frank Panaia. *Third row*: Tom Chunko, Wayne Miller, Benny Rainey, Bruce Lowry, Dennis Pocsatko, and Ed Babinec. Joseph Massey, at the right, sponsors the club.

A newly organized group, the Golf Club, is sponsored by Edward Grottenthaler, industrial arts teacher. *In the first row*: Rus Fleming, Chuck Furjanic, president, John Bonacci, vice-president, and Ron Cimino, secretary. *Second row*: John Catanzano, Jim Ralston, James Lester, Elmer Beatty, Ken Jozwiak, Frank Stofa, Dennis Pocsatko. *Third row*: Howard Ferguson, Gene Desch, Ed Babinec, John Munster, Sam Kritzer, Doug Hags.

The girls' championship in volleyball was won by the juniors this year. Mrs. Jox's charges from Room 3 defeated the challengers from Room 14. The girls are, *first row*, Gerry Gilmore and Pat Genone. *Second row*: Joanne Fiano, Jackie Woffenden, Barbara Augusty, and Pat Eger. Between Jackie and Barbara is Mary Ann Hotovcin.

INTRAMURAL VOLLEYBALL

The boys' volleyball championship went to Mr. Cervi's Room 10. They defeated a tough Room 21 for the coveted award. *Members of the team are*: John Munster, Dennis Treemarchi, Dan Simonelli, Sam Kritzer, Joe Colondrea, Gene Desch, Ralph LaVerde, and Bill Harder.

INTRAMURAL BASKETBALL

The senior girls of Room 14 reign as intramural basketball champions this year. The team was a well-rounded one which displayed a high scoring offense and an aggressive defense in defeating Room 3. Members of the team in the *first row* are: Carol Nesbitt, Bonnie Cunic, and Marie Pavlisko. *Second row*: Sara Ann Connor, Barbara Laughery, Karen Benson, and Barbara Gregor.

A rugged group of boys from Room 26 defeated a determined Room 21 for the boys' intramural basketball championship. The champs in the *first row* are: Camillo Mele, Denny McTiernan, Bill Lehm, and Carl Robertson. *Second row*: Dennis Pocsatko, Howard Ferguson, Doug Topping, and Clair John. Missing from the picture: Ron Cimino.

Intramural sports are taken very seriously by the students at Swissvale High School. All that one would have to do to confirm this would be to drop in at the Dickson Junior High gym on the night of either the volleyball or basketball championships. The gym is always packed with students rooting for their favorite room or class to win.

This year the seniors took a clean sweep in basketball but won only the boys' volleyball title, as the senior girls of Room 14 were beaten by the junior girls of Room 3.

The intramural program is sponsored by Miss Boretsky and Mr. Koepka, who also referee all the exciting games.

HONOR ROLL

Among the students on Swissvale High School's Honor Rolls are found many of the leaders in school activities, whether they be publications, music, sports, cheerleading, majorette corps, dramatic, or clubs.

Seniors, to be eligible for this annual Honor Roll, must have maintained an average of 90% or better for the entire high school course. Underclassmen are those whose names have appeared on the first four Honor Rolls for the current school year.

The Swissvalian would like to extend its heartfelt appreciation to the faculty at SHS for all the help they have given us. These hard-working men and women have devoted their lives to the education of our young people. They not only teach the student the required subjects but they also help him to understand and to solve his problems.

Besides teaching a well balanced curriculum, our teachers are often called upon to sponsor extracurricular activities. These require our teachers to spend much of their own time, but they do so willingly because it is for the development of the students.

Until now, most all of the important decisions in your life have been made by someone else. You didn't select the neighborhood you live in. You didn't select the schools you attended. You didn't have too much to say about the things you studied or the work you had to do. And, of course, you didn't select your family.

All that starts to change now. When you graduate, *you* become your own decision maker. You decide about starting a family, about school, where you'll live, where you'll work.

When you make a decision about work, we urge you to first consider the opportunities at Union Switch & Signal. While you are working and earning, you can take advantage of Union Switch & Signal's educational program and earn a degree at one of the local universities.

College engineering graduates have tremendous opportunities in Union Switch & Signal's newly modernized research laboratories equipped with all facilities and instrumentation for present and future research and development requirements. Engineers at Union Switch & Signal work with components for space vehicles, railway signal control systems, remote control systems for pipelines, and many other projects for the steel and mining industries. These men can also further their education and earn masters' and doctors' degrees with company financial support.

Union Switch & Signal also offers fine opportunities for high school girl graduates interested in secretarial and clerical work.

Union Switch & Signal is known throughout the world for its accomplishments in the rapidly growing fields of electronics and automation. We'd like to have you know our company and share our growth.
