What will the army drill sergeants do for this group?

You'd think that they'd make one once in a while.

"Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time."

LONGFELLOW

SWISSVALE HIGH SCHOOL

SWISSVALE, PA.

I

Sing the praise of Swissvale High School With her gold and blue; May her emblem stand forever

Glorious to view.

II

May the students and alumni, Loyal and so true; Ever bring her fame and honor By the things they do. III

Hail to thee our ALMA MATER,
Mother of true men;

Sing her praise again.

Chorus

Lift her praises up together
Hang her banner high;
Hail to thee our ALMA MATER,
Hail to Swissvale High.

GORDON E. DANNELS, ED.D.

After his graduation from Grove City College, Dr. Dannels attended the University of Pittsburgh and earned his Doctor of Education Degree. He served as principal of Dickson Junior High School and Swissvale High School before he was elected to the superintendency in July, 1962.

This experience in both the junior and senior high schools has given him valuable insight for his present position as superintendent of the Swissvale School District.

Members of the Board of Education are, seated: Charles J. Wright, Jr., vice-president; Martin Hudale, Dr. Rex H. Newton, president; Dr. Roy M. Smith. Standing: Frank Stewart, John Barclay, David V. Connor, John R. Smith, solicitor. Missing from picture: Dorothy G. Petrovsky.

WILLARD L. CURRY, M.Ed.

Mr. Curry, who capably handles the responsibilities of principal of our high school, was graduated from the University of Pittsburgh where he was awarded the Master of Education Degree.

Before coming to Swissvale, he served as physical education teacher and subsequently principal at Woodlawn Junior High School.

The staff of the 1964 Swissvalian wishes to express its deep appreciation for the twenty-two years of devoted service given to its publication by Miss Elizabeth M. Jacobs. We feel that the success of our work this year is, to a great extent, due to the solid foundation established by Miss Jacob's untiring efforts in the past.

Thank you "Miss J."

JIM CATONE—Jim was second in team scoring with 435 points. Besides being a leading scorer, Jim was a top rebounder for the Flashes this year. The loss of Jim may hinder the chances of next year's Gold Flashes.

RODNEY SNYDER—Rod earned his third letter this year by help to lead the Gold Flashes on to one of its most successful seasons. His excellent shooting made him the team's leading scorer with 483 points, and his defensive play made Rod an all-round player.

BOB BONACCI—Bob was the smallest member of this year's Gold Flashes, but this was not a setback to Bob's fine shooting and ball control.

ROLAND MARIANI—Roland was the playmaker of the Flashes this year. His brilliant passing and ball handling caused many baskets to be scored. His activities on the court gave the Flashes many victories.

SENIOR PLAYERS

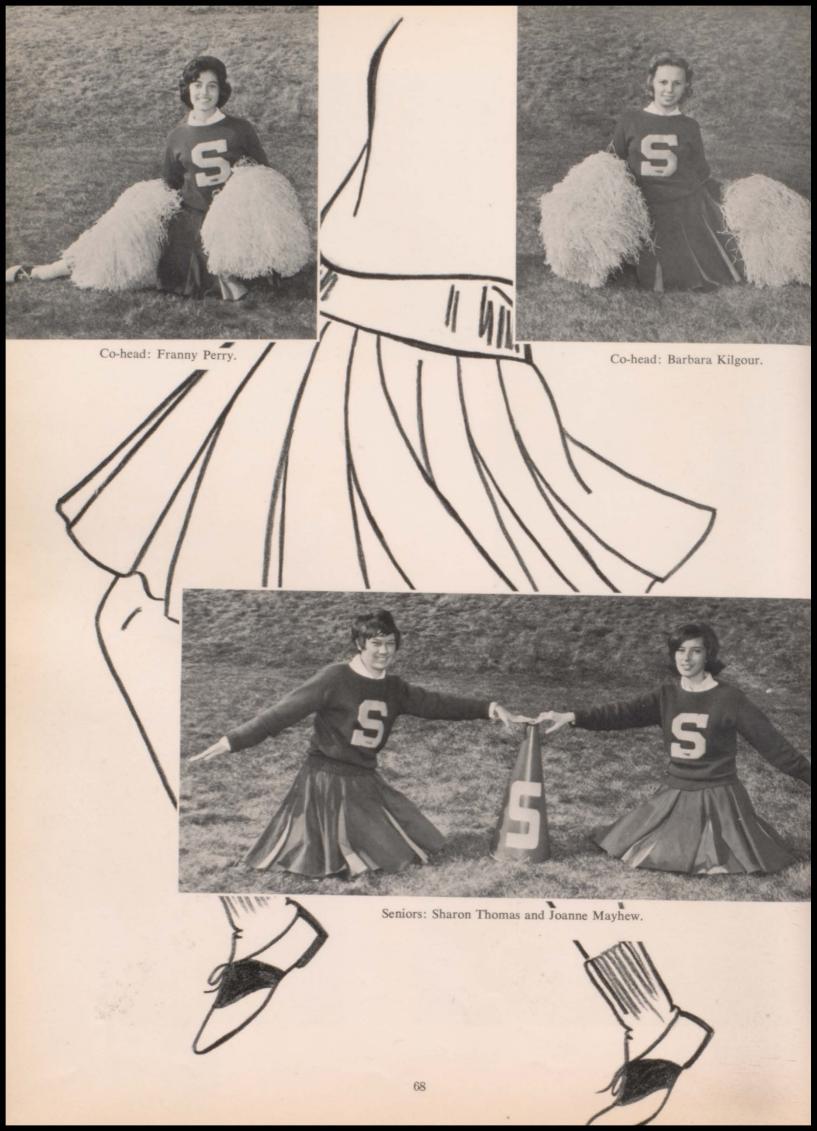

BILL HOGAN—Bill was the smallest member of the starting five. He was a hustler, well known for his ball handling ability and his quickness in stealing the ball.

Juniors: Jane Martin and Barb Martinich.

Baily's Pickles were the intramural volleyball champions. FIRST ROW: Bill Harper, Richard Gratton, Paul Heller. SECOND ROW: Joe Leone, Roland Mariani, George Hunt, Bill Hogan.

BASKETBALL

SENIOR FOOTBALL PLAYERS

FRITZ BALDT. Short and wide, Fritz was an "immovable object" to the opposite teams. A substitute, Fritz gave the "Flashes" a strong bench which enabled them to have a good season.

FRANK CAFARO. "Big Frank" played tackle "both ways." Coming on strong past the mid-way mark, he became a "stone wall" on the defensive line. A big hole is left by Frank in the defensive wall.

JIM CATONE. Jim was the "big back" in the Gold Flashes' backfield. Often the yell of "Catone" would blurt from the competitors' throats. Unknowingly, they were complimenting our big "33," for they keyed on him. Where he went, they went. A triple threat, Jim's quiet but confident manner leaves a gap not easily filled.

BOB COLLINS. "Good News" was the "Flashes" right end both ways this year. Bob's defensive prowess was well know to all our opponents' coaches. Bob spent more time in the other team's backfield than some of their backs did.

HARRY DEDO. A big boy, Harry did an ample job at tackle. The second-man kicker, Harry often boomed them long into the end zone. "Santa" rallied to the call when he was asked to do a job.

JIM EHNERD. "Big E" seemed a lot bigger than he really was to the opponents. His excellent play at tackle won him a spot on the Alle-Mon All Conference Team. Jim was one big reason for the "Flashes" great 8-0-1 record.

RICHARD FUSIA. Rich did a very capable job filling in at tackle and center. One of the strongest boys on the team, "Pooch" did an excellent job when asked to fill in.

BILL HOGAN. Bill, a wiry halfback, specialized in defense. At safetyman, he led the team in interceptions. On every play, Bill was the fighter of the team. He continually fired up the defense when the "Flashes" morale was low.

ROLAND MARIANI. "Ro" was one of the most versatile players on the team. A sure tackle on defense, few men got past Roland. Many will remember his great runs at the Duquesne game. A three-letterman, the '65 "Flashes" will surely miss him.

MARIO MEGLIO. Mario, a linebacker on defense and guard on offense, proved the old saying "dynamite comes in small packages" true. A stalwart on defense, he often led in most tackles per game.

MIKE "BULL" ORFITELLI. Mike's alert play was a constant thwart to the opposing team's offense. His "heads-up" play on offense opened many holes. An expert at the trap, Mike was a "ballhawk" in every game.

BOB RADAKOVIC. This guard and linebacker was a hard and sure tackler. His specialty was kickoffs; it seemed to the other teams that Bob was sometimes downfield before the ball.

RICK SIMONETTA. Rick was the key to the offensive line at center. His specialty was punt and placekick centering. Every one of Rick's "twelve yarders" were right in the punter's hands. His fine play this year earned him his second bar on his big "S."

ROD SNYDER. A tough, wiry boy, Rod often came through with more than expected. His kick-offs were long, and his placements were always true. A scrappy competitor, Rod always put out a valiant effort. Competitors looked at Rod and laughed, but their attitudes changed considerably as he ran over them.

Until now, most all of the important decisions in your life have been made by someone else. You didn't select the neighborhood you live in. You didn't select the schools you attended. You didn't have too much to say about the things you studied or the work you had to do. And, of course, you didn't select your family.

All that starts to change now. When you graduate, you become your own decision maker. You decide about starting a family, about school, where you'll live, where you'll work.

When you make a decision about work, we urge you to first consider the opportunities at Union Switch & Signal. While you are working and earning, you can take advantage of Union Switch & Signal's educational program and earn a degree at one of the local universities.

College engineering graduates have tremendous opportunities in Union Switch and Signal's newly modernized research laboratories equipped with all facilities and instrumentation for present and future research and development requirements. Engineers at Union Switch & Signal work with components for space vehicles, railway control systems, remote control systems for pipelines, and many other projects for the steel and mining industries. These men can also further their education and earn a masters' and doctors' degrees with company financial support.

Union Switch & Signal also offers fine opportunities for high school girl graduates interested in secretarial and clerical work.

Union Switch & Signal is known throughout the world for its accomplishments in the rapidly growing fields of electronics and automation. We'd like to have you know our company and share our growth.
