Youth is spring,  
the dawn of life,  
and not a moment should be wasted.  
energies should be exhausted by the present.  
thoughts should be aimed at the future.  
this year was the present  
this book preserves it for the future.

Superintendent  
Dr. Vernon C. Patterson

The Swissvale Area Joint High School is pleased to welcome Dr. Vernon C. Patterson, our newly elected Superintendent of Schools. Dr. Patterson was formerly Supervising Principal of the West Allegheny Joint Schools, Imperial, Pa. He received his Bachelor of Science degree from California State Teachers College. His Master of Education degree and Doctor of Education degree were earned at the University of Pittsburgh.

Dr. Patterson has several goals that he would like to see accomplished. Some of these are: Expand the general curriculum to include more subject areas such as Industrial Arts, Home Economics, etc. Expand the Library facilities along with greater laboratory and Science opportunities. The Language Arts curriculum will be expanded along with our enlarged Reading Program.

The students and faculty sincerely welcome Dr. Patterson to our school.

Dr. Patterson and Mr. Curry confer on plans for the school.

Principal  
Mr. Willard L. Curry

The students of Swissvale Area Joint High School and the graduating Class of 1967, in particular, would like to extend their sincere thanks to Mr. Willard Curry, our principal. Mr. Curry's guidance has been an important asset to our high school careers at Swissvale. Always willing to listen, advise, and instruct, he has been a strong motivating factor behind many of our school's projects.

His job is never an easy one and his responsibility is great because he must be always aware of the welfare of each student. Whether he is planning our curriculum or giving a friendly word to a student in the hall, Mr. Curry gives the task his whole attention. It is with deep gratitude that the Class of '67 says "farewell" to Mr. Curry.

## ELIZABETH M. JACOBS

The 1967 "Swissvalian" Staff affectionately dedicates this book to Miss Elizabeth M. Jacobs and gratefully acknowledges her faithful services as teacher and friend. As sponsor of the "Swissvalian" for twenty-three years, Miss Jacobs counseled wisely and guided well. This was the last of her many activities to go and her favorite one because in it she was able "to develop real friendships with such nice people." As her classes in Biology increased she became a full time teacher and it became necessary for her to drop one activity after another.

Early in her career at Swissvale High School, Miss Jacobs taught no classes, but sponsored the "Valistic." At that time, the work of cutting stencils and mimeographing was done by students. The paper came out regularly every two weeks in spite of power failures and other problems. Miss Jacobs was also in charge of Quill and Scroll and weekly Assembly Programs, which often featured student Variety Shows and one-act plays. The refreshment stand at the football games was another of her activities. Last, but not least, Miss Jacobs served as treasurer of The Activities Fund, a post still held.

The "Swissvalian" Staff, speaking for the faculty and students, sincerely wishes a bright future for "Miss J."

We've got the Flashes on our team; they're GREAT! Although they did not capture the Alle-Mon Conference title as they did in past years, the boys still had a successful 4 and 5 season. This was achieved by skillful leadership and long hours of practice. The team could have given up at any time, but they didn't; and this is an important fact. They suffered injuries but they fought and fought hard for Swissvale High School. Yes, we've got the Flashes on our team, and they are great.

## *Bowling Club*

While not everyone enjoys the pleasure of having a 300 average, the members of this active club always enjoy trying for it. The club is divided into six teams of approximately four players each on a basis of equal totals. Each team is given an equalizing handicap if needed. Through intra-team competition, this club achieves its purpose of fun and sportsmanship.

For the second consecutive year, Swissvale won the Section Eleven Championship. Nicknamed the "Wonder Team" because of its unpredicted success, the Swissvale Nine were forcefully and skillfully coached by Mr. Jerry Bejbl. The team had an 8-2 conference record and was a contender in the section play-offs. This year's team, with ten returning lettermen and experienced underclassmen, should enjoy another winning season.

# Latin Club

One of the most energetic and active organizations of the school, the Latin Club, strives to project a little of the ancient Roman life into the present. During the club's first year, they have held a skating party, and have shown slides of contemporary Rome. They have even voyaged to the "underworld" in celebration of Vergil's birthday. The highlight of the year's activities was an elaborate spring banquet.

# Chess Club

One of the organizations increasing in favor and interest in the school is the Chess Club. Usually meeting at lunchtime, the members of this club battle their skills and strategy against that of fellow members and send a traveling team of six players to combat other schools such as Edgewood and Hopewell. As members of the WPIAL Chess League, they climax the season with a tournament.

The Varsity Club consists of Lettermen from all the Inter-Scholastic Sports participated in by Swissvale Area Joint High School Students. During the year the club raises money to honor the senior members with a jacket awarded for their contribution and achievements in WPIAL competition. In addition, each year the club sponsors a project to purchase something for the school. This year's project is the purchase of a new trophy case for the front hall.

The Mean Men award was given weekly by the football coaching staff to the player making the greatest contribution to the team effort. This is based on his overall play, leadership, and willingness to sacrifice for his team's welfare.

## “Superman”

Superman valiantly struggles in his crusade to rid Metropolis of crime and evil-doers. It seemed as if Dr. Abner Sedgwick would destroy the Man of Steel, but the strength and goodness of the man in the red cape were too much for the vicious villain. Our hero can confess his love for the girl reporter, Lois Lane, but his job is doing good and nothing can interfere—“Up, up, and away.”

# *Senior Poem*

Our work is through, our books are closed,  
Our days here now are done;  
We now must leave our high school years  
And face what is to come.

We'll take with us on June the 5th,  
When we go our separate ways,  
The memories so deeply cherished  
Of our Swissvale High School days.

We'll remember the merger with Braddock Hills  
And the first musical Swissvale put on.  
And we'll never forget how bad we felt  
When we learned night football was gone.

We'll remember the breaks between "labs" and "takes"  
And the water that never came,  
And the teachers who rambled around the court  
At the faculty basketball game.

But one and all will remember,  
When the Senior Class is gone,  
That all of us had lots of fun  
Doing the things we've done.

Seated, l to r—Leonore Dudash, Co-Editor of the "Swissvalian"; Joy Katilius, Editor-in-Chief of the "Valistic"; standing, l to r—Lynda Conley, Business Manager of the "Swissvalian"; Donna Lalli, Typing Editor of the "Valistic."

## Quill and Scroll

Mrs. Carter and Mrs. Haytock, "Quill and Scroll" advisers, welcome the new members.

Election to "Quill and Scroll," International Honor Society for High School Journalism, is one of the highest honors that Swissvale Area High School can bestow on its students. All students working on the high school's publications, the "Valistic" and the "Swissvalian," are eligible. To be elected, students must demonstrate academic ability as well as outstanding service to their publication.

Members of "Quill and Scroll" elected from the Class of 1967 have indeed proven their dedication to journalism. They are: Lynda Conley, Leonore Dudash, Joy Katilius, and Donna Lalli.

Given Award of Honor Certificates for exceptional service to the school publications were Karen Breskovic and Robert DeLucia of the "Swissvalian" and Cindy Gifford and Marilyn Hrubic of the "Valistic."

## *National Honor Society*

Scholarship, leadership, character, and service are the qualities one must possess to be elected to the National Honor Society. The National Honor Society serves the student body through the fine tutoring program which is offered.

Officers—I to r—Tom Hill, Vice-President; Kathy Cresswell, Secretary; Lee Dudash, Treasurer; David Silverstein, President

# *Graduation*

As we the class of 1967 leave Swissvale High School, we take with us so much more than we could ever possibly leave behind. We take the many memories that will never be relived and the many friendships that will never be forgotten. We give our thanks to the wonderful teachers who have helped us through these three character-building years.

## **Find your space age career right in your own back yard**

You may associate the term "space age technology" with faraway places like Cape Kennedy, Oak Ridge and Los Alamos. But you'll find the same basic technology being used right here at home—at Union Switch & Signal Division of WABCO. We're working with the most advanced techniques to find better ways of transporting millions of people faster, with more safety and in greater comfort. Lasers, digital computers, micro-miniature components and other sophisticated equipment are used in our systems for speeding freight, controlling the flow of oil and gas in pipelines and automating urban mass transit.

Will you advance quickly? It's up to you. Our goods are being sold in stable, growing markets. So when you make a decision about your future, we urge you to first consider the opportunities at Union Switch & Signal. You can learn while you work—our tuition refund program will help you earn an engineering degree.

We also offer the high school girl graduates excellent career opportunities in secretarial, clerical and laboratory technician work.

Union Switch & Signal is known throughout the world for its accomplishments in the fast-growing fields of electronics and automation. We'd like to have you know our company and share in our growth. Come in and talk to us.

## Room 3

### Senior Basketball Champs

Three years ago our home room was brought together for the first time on the third floor in Room 24. It was there that our great friendships began. In our junior year we moved down the hall to Room 21 and our fun and friendships flourished. This year, our SENIOR YEAR, we made our last move together, to Room 3. For the 3 years that we have been together, we have all become close friends—sharing the joy with those who were chosen for the Prom Court, applauding those who had parts in the class plays, and cheering our boys on for the

junior and SENIOR championships and our girls for the SENIOR championship. After graduation, we will go our separate ways, but we will take with us the memories of our years together.

We the SENIORS of Room 3 would like to extend our deepest gratitude to Mrs. Pfeiffer who cheered, applauded, and cried along with the rest of us. She is the one who made our home room the **best!**

Thanks Mrs. Pfeiffer!!

We of Room 7 say farewell to S.H.S., to our friends, and to Mr. Nelson, who was a great homeroom teacher. Yet, we will never forget the smell of left-over lunches in Mr. Nelson's sink, "Early Eddie," the sounds of crashing desks, and quiet, little "Olga." Room 7 is the headquarters of the school's political machine, housing both the ex-Junior and Senior class presidents. It is also the home of the school's beauty contestants, having more prom court members and queens than any other room. All of the best cheerleaders and football players came from Room 7.

With these humble words, we graduate.

As SENIORS in the Class of "67" we say farewell to homeroom 12 and good old S.H.S. We want to thank Mrs. Baily for her tolerance of our noise and constant gum chewing, and for her understanding guidance. We remember with pride our contributions to Student Council, majorettes, intramurals, winning door decorations, and other activities in which we have participated. We sincerely thank the faculty and administration for their help in making us better persons. To the future classes of Swissvale High School, we extend our hopes for success and happiness. Thank you, S.H.S.

As members of the Class of 1967, we leave room 22 after three years of calling it our "Home." We wish to express our appreciation to the faculty and administration for their help and guidance. To Mr. Bejbl, we extend our thanks for his understanding and patience and for making our homeroom the eventful one that it was. Finally to the class of 1968, we wish you happiness and success during your senior year at S.H.S.

In the years to come, we will look back on the memories we have from the three years spent in Room 16. We will laugh as we remember the lack of enthusiasm and spirit on the part of some of the students who were in our homeroom; and we will never forget the students who sometimes sat through the flag salute, how many intramural games "16 won" or how many times Miss Sutter said, "leave those typewriters alone." We will also remember the contributions our homeroom gave to school activities—"Swissvalian," Student Council, class plays, Prom Court, band, and others.

To Miss Sutter we would like to say thank you for all that she has done for us during the past three years. She has been a friend as well as a wonderful homeroom teacher. We wish her the best for the future and hope that in the years to come she will now and again remember the "64-67" homeroom.

We the SENIORS of Room 27 would like to express our sincere thanks to the faculty of S.H.S., especially to Mr. Layton who had to put up with us for three years. We will often think of S.H.S., and wonder if Mr. Layton ever got another homeroom as "good" as we were.

The editors of the "67 Swissvalian" wish to thank all those wonderful people who have pulled their efforts together to produce this book of memories.

We would like to express our sincere appreciation to our patient sponsor, Mrs. Haytock, for her many hours of work on the Swissvalian.

Also, our deepest appreciation to the Foote and Davies Publishing Company and their representative, Mr. McWilliams.

For our cover, we thank Mr. Stewart of the S. K. Smith Company. And for all the pictures contained in this book, we thank the Terrace Arcade Studios, especially, Mr. Phillips, Mr. Agate, and their assistants.

Finally we wish to thank all our advertisers and patrons who supported our book financially.
