Graduation 1971

Commencement took place June 1, 1971, practically the last event of the school year. Why then are these pages at the beginning of the yearbook? Because to the class of 1971, it is the most important event of the entire school year. It is fun being a senior, being the oldest, being the leader; just the same, the seniors can't wait until they have to give this up at graduation. At this point, an old way of life is ending, and a new one is just beginning.

NEW MINI-COURSES

The English and History Departments embarked on a new adventure this year: mini-courses. These courses are composed of a wide variety of short compact units of study. This year, the English Courses lasted four and one-half weeks and the History Courses six weeks. The courses have been designed to generate a new enthusiasm for English and History as high school subjects. Although some students have reacted negatively to the new courses, most students have expressed interest in them. The concern in this program is placed on individual achievement, learning through discovery, and encouraging a sense of self-directed responsibility on the part of the student with the teachers serving as guides and evaluators. If most Swissvale students are reached via the mini-courses, then the new adventure will have been a fine trip.

The 1970 record of the Flashes was a disappointing one, for both the team and the school. Swissvale finished their football season with only two wins and seven spirit-crushing losses. But it certainly can't be said that the boys on the team didn't try. Never once did the Flashes admit defeat until the very last minute of the Munhall game. The powerful blocking and tackling of boys like Mark Antolik and Bob Epps just weren't enough to beat teams like South Fayette and Penn Joint. Pookie had a strong arm and could run that ball down the field faster than most, but Swissvale just didn't have enough to make a winning team this year. But no matter how badly the Flashes fared, they had unanimous and unending support from their school at every game.

Usually (meaning annually) Swissvale's basketball team plays average ball — they win some, they lose some. Year after year it's the same story — Flashes tough but section even tougher. However, the tables were turned in 1971 when the Flashes copped the section title for the second time in Swissvale's history. They held a 16-5 record for the season, beating teams like Penn, Turtle Creek, and Trafford.

Our success centered around the only starting junior on the squad, Bob Dillard. Bob had the best average on the team (19 pts. per game) and best single game output (35 pts. versus Penn). Bob Dillard and Chappy Epps were selected to the 14-B All-Star game. However, games aren't won by one man alone. Matt, Bob Epps, Bob Dillard, Chappy, Lenney, Dan, Chuck, and Rocky were a team all the way — they worked together. The more points they racked up the harder they worked. Coach Clougherty taught them to work as a team, and to not only outplay but also outsmart their opponents.

Sadly, all good things must pass. Swissvale lost to Verona in the first round playoffs by only two points, 65-63. Congratulations to a "Number One" team!

And Now . . .

The Flashes of 1970 . . .

The Flashes of 1970 headed for a successful season from the start. Jack Aducci and Jim Vergona shared pitching spotlights and Clay Tomas lined up as catcher. The overall team record was 18-2, with the only losses against Penn Hills.

Spirit ran high toward the end of the school year. The baseball team had never had much support from the school before, but that changed quickly. Before their second and final defeat by Penn Hills, the team had the whole school behind them.

1st row l. to r. — J. Aducci, J. Epps, C. Tomas, D. Mise, G. Polovchik, P. Aducci, J. Vergona, B. Rudge, R. Tammariello. 2nd row — Coach Bart Mele, W. Frank, R. Bolton, L. Kuzniewski, B. Swissvale was proud to welcome to the athletic department the newly formed girls' basketball team. Under the coaching of Mr. O'Reilly, Miss Radakovich, and Mr. Carlberg the girls experienced a unique chance to display their athletic ability in a way which previously had only been offered to boys. This was a great step forward for the athletically inclined girls who before had to settle for intramurals. Hopefully, the coming years will see the team become more professional.

Our Special Thanks

To Mr. Jim McWilliams, Publishing Representative from Delmar Yearbook Co.

To Pixie Studios with special thanks to Mr. Dick Gribenas.

To Mr. Knestaut of the Rasbach Photo Service for underclass pictures.

To Mrs. Ruth Buehner for keeping the yearbook accounts accurate.

To Swissvale and area businesses for their advertising patronage.

To Chappell and Co., Inc., for allowing us to use the lyrics of the song "People" in our opening pages.

To the faculty, students, and parents whose cooperation, patience and patronage greatly helped us.

To Becky Hill and Jo Ann Stefaniak, without whose help the editor could never have even come close to meeting the final deadline.

To Barbie Clark, who worked above and beyond the call of duty.

And finally to Mr. Bill Kennedy, our guiding light, whose help and understanding were greatly appreciated by us all.
